

Letter to Parent

Dear Parent or Caregiver,

Today in my S.O.S.[™] (Student Organizational Skills) class, I learned that a having a Study Bud can help me manage my middle school workload and be an organized student. Here are some of the ways Study Buds can help support one another:

I also learned the skills and strategies for successfully managing a middle school group project:

- (1) _____, (2) _____,
(3) _____, (4) _____,
(5) _____, and (6) _____.

You can help me be an organized middle school student by encouraging me to get a Study Bud for each of my classes. We will exchange information on Study Bud 411 forms. When I have been assigned to a group project, encourage me to use the Group Project Organizer on page 60 of the *The Middle School Student's Guide to Ruling the World!*

For homework this week, I will complete the exercise on page 61 of *The Middle School Student's Guide to Ruling the World!* and check my answers. I will also read pages 64 through 68 to prepare for next week's S.O.S. class.

Thank you for all you do for me every day.

Sincerely,
